APPLICANT AGREEMENT

I/We are interested in becoming a resident at The Village at Brookwood and would like to join The Oak Circle. I/we have made application and submitted a twelve hundred dollar (\$1,200) fee to be credited toward my/our eventual move to The Village at Brookwood. Should I/we be unable or choose not to move to The Village at Brookwood, I/we understand that one thousand dollars (\$1,000) is fully refundable.

As a result of this agreement, I/we are reserving a place in line to gain an offer for the home(s) that I/we have chosen at or after this time period designated on the application.

I/We understand that at the time I/we accept an offer to become a resident at The Village at Brookwood, I/we will complete and submit a Reservation Agreement and pay the Reservation Fee. The Reservation Fee will equal ten percent (10%) of the Entrance Fee less the twelve hundred dollar (\$1,200) Oak Circle fee. I/we will also be asked to submit an Application for Residency, provided by The Village at Brookwood, which includes a confidential personal and health history and a financial disclosure. The Village at Brookwood requires an onsite health assessment to be conducted by our healthcare team within thirty (30) days of the submission of the Reservation Agreement.
